The 9-2 dual meet record marks the 33rd THS winning season since 1947 when the sport was revived after W. War II. As champions of the new Wolverine League, the Trojans also stretched their league titles record to 27, adding more luster to their winning tradition.

Contributing with 1st place medals in respective divisions in the All-League meet: single players SMITH and DICKMAN and doubles of Capt. VENTURA/KASPRZAK, McCORKLE/BRYAN, SLITTI/R. MENZEL - almost a total sweep of the 9 events. Adding sparkle to the Trenton crown were the selection of the above to All-Downriver honors. Yet, ironically, only one Trojan was put on the All-League team by the League coaches: BILL SMITH.

At the season-ending "Captain's Bust" awards-dinner, the honor votes went to R. MENZEL/Coaches' Award, SMITH/1985 captain, VENTURA/Most Valuable, and HERIN/Most Improved.

Coach PREUTHUN's FROSH/JV's won 3 of 5 meets giving notice that they'll be ready to fortify the varsity next year.

Student Council

Student Council is the representative of the student body in terms of student government and a voice to the administration. The Executive Board and General Assembly combine their efforts to function with matters relevant to the welfare of the school population. In addition, the group is concerned with numerous social activities. This year they sponsored two highly successful Blood Drives, helped with the Goodfellows Canned Food Drive, offered a Computer Match service, and with their candy sale, presented over \$750.00 for scholarships.

The Curious Savage

This year's fall Thespian play centered on the comic antics of inmates in an insane asylum and provided laughs as well as thoughtful moments for cast and audience. The inmates loyalty and love for each other contrasted with the "sane" characters' love of money to make us all ask which group were really "insane".

The first semester Play Production class chose a difficult musical production and created a deeply meaningful evening for their audiences. The PAR Players gave real intensity to their portrayal of runaway youth and their problems.

THE 1984 HOMECOMING QUEEN CANDIDATES AND MASTER OF CEREMONIES

Homecoming is the one single event that does more to pull our school and community together than any other offered during the school year. The minute the theme is announced, that's the time parents and students start planning. It means float construction and lots of adult help and supervision. The city of Trenton goes "all out." Compared to other high schools, our Homecoming is BIG. Our queen candidates are judged on their poise, personality, appearance, ability for expression, and beauty, not by popularity. Our parade includes numerous floats, bands, and clowns and attended by most of our community. The Queen's Crowning at the half-time of the Homecoming game is suspenseful and impressive, and the final event — the HOMECOMING BALL offers a delightful evening of dancing to culminate the many weeks of preparation.

Our Homecoming Queen's Judging

Master of Ceremonies - Brad Varady

Homecoming Queen's Judging at Trenton High — it's different. Unlike most schools, Trenton's Queen is not chosen by popularity, she earns it! First, only Senior girl candidates are nominated by our high school's clubs, organizations, and the Senior Class. Each group nominating must guarantee a float in our parade for the Queen's Crowning. Also, the Freshman, Sophomore, Junior and Senior Class floats are an integral part, to be sure our community has the opportunity to see and enjoy our efforts. After nominations, comes the night of judging. Each girl is judged on her poise, personality, appearance, ability for expression and beauty. She is asked two questions. One, informal, submitted by the student body, and one formal, taken from a previously submitted autobiography. The candidate is dressed appropriately for each occasion. Then, qualified judges are asked to make the final decision. The girls appear twice, once for each question and are assisted by Senior escorts. After the judging, the five girls with the highest number of votes becomes the finalists. It is not until the night of the Homecoming Game that the Queen is crowned by the previous year's Homecoming Queen. Our Homecoming Queen has earned her title by receiving the highest number of votes from the judges.

IN MEMORY OF MR. RICHARD K. BRYANT

From the fall of 1957 until his untimely loss in April of 1984, Mr. Bryant worked faithfully and diligently to make high school days into good times for Trenton students. We will never forget his All Stars production, the Homecoming days and nights, the sock hops, shindigs and proms that he produced in such a professional manner.

Many hours and extra days on his own was gladly spent producing the outstanding Monguagon yearbooks which we will enjoy for years to come.

Mr. Bryant's interest in continually developing school spirit and pride was borne out in his work with the Student Council, the National Honor Society and Teensters.

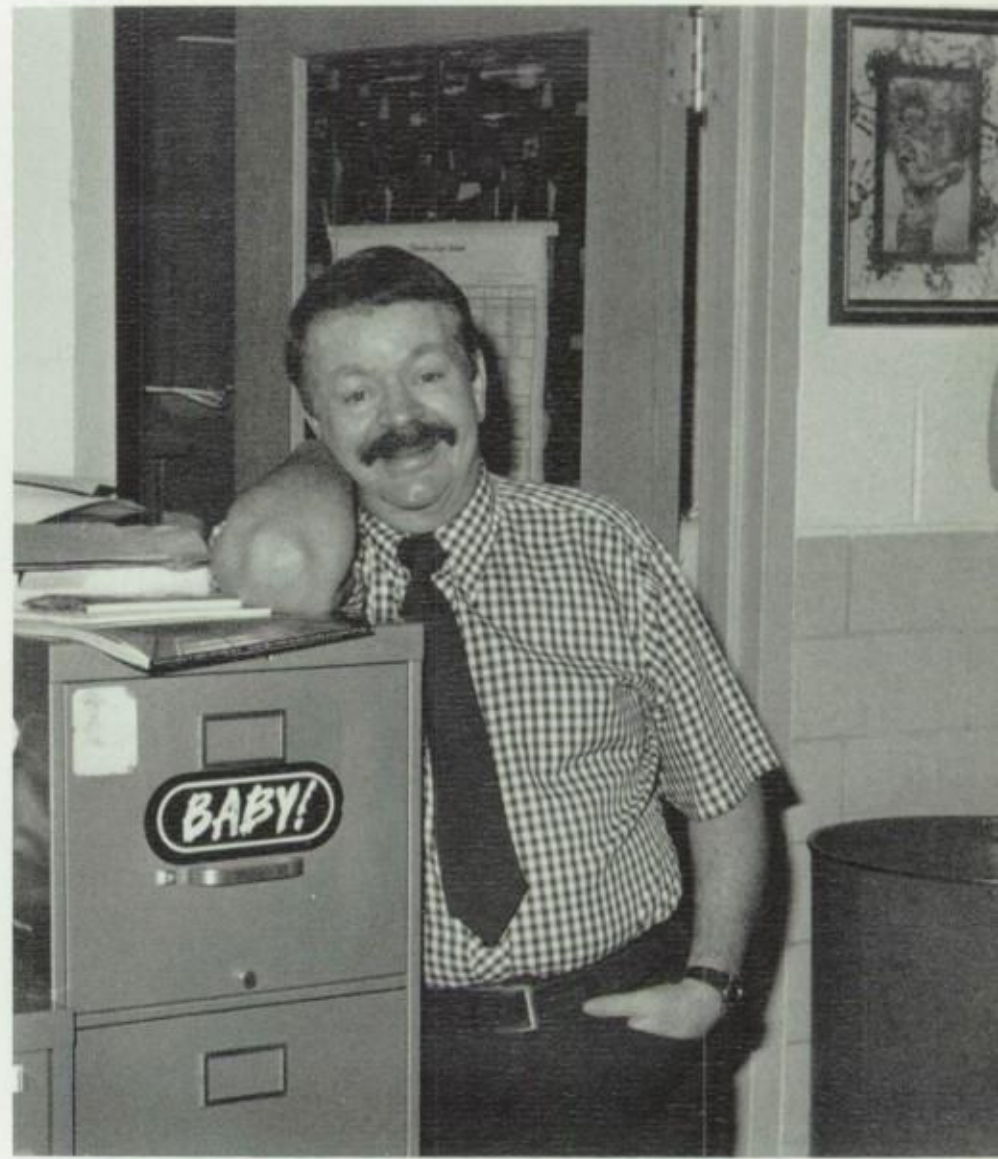

His greatest interest, teaching art, was what he enjoyed most. He was ever alert to talented students and encouraged them to pursue careers in the fine arts.

Mr. Bryant, a talented man, a friend to all, an educator, a director, an artist — will live on in memory for years to come through the many accomplishments he has brilliantly created for Trenton High.

The end of one chapter

Trenton High School Class of 1984, members of the Board of Education, Superintendent of Van Riper, Rev. Eggleston, members of the Faculty, Parents and Guests.

I have a comment to the class of 1984.

During a fall class meeting, the class officers established several goals for the class.

1. Improving school spirit.
2. Increasing school activities for all students.

RESULTS:

1. The fall and winter pep rallies, combined with class competition, produced more enthusiasm than we've seen at Trenton High school in many years.
2. A greater number of dances were offered with increased student attendance. New theme dances included the: Halloween Dance, Florida Fling, Break Dance and Luau.
3. A general improvement in school pride and interest in school activities has resulted. You have helped reduce apathy. Although more needs to be done - you have set the standard for other classes.

Tonight I have a gift for all of you - my speech will be short.

I fully realize how eager you are to "get on with it." You are eager to get those diplomas for which you have worked so hard. You are eager to join your family and friends who share this joyous occasion with you. You are eager to get started with your plans for the future. And this is as it should be, for a graduation - far from the end - is the beginning of all your tomorrows. Over the past several years you have worked and studied, practiced and played and grown - grown mentally as well as physically - and now you are here, ready to begin your lives as members of the adult community.

Tonight is the end of one chapter and the beginning of another. As you begin the new chapter here tonight, I challenge each of you to continue to learn. Benjamin Franklin believed, "The doors to knowledge are never shut." For example, just over the past eleven years the typewriter went from manual, to an electric, to self-correcting computer word processing interrelated office unit. If you learn no more than you know now - your ability to advance or even maintain a job - will be zero! It has been predicted that those of you in the Class of 1984 will experience at least three career changes during your lifetime.

John Wooden, the great basketball coach for UCLA in the 70's, perhaps said it best, "**Learn** as if you were to **live forever**. **Live** as if you were to die **tomorrow**." Henry Ford was even more direct, "Anyone who stops learning is old, whether this happens at 18 or 80." Your challenge is to continue to learn - be curious - find out all you can - keep on looking and learning as if you **were to live forever**! As you learn and plan for the future, it is my hope each of you will strive to reach your fullest potential.

On behalf of myself and the faculty and staff of Trenton High School, I wish to each and everyone of you the happiness of a productive life, the respect of your fellow human beings and the love of your family. May the future be yours.

The best of luck and congratulations to the Class of 1984.

Mr. Van Riper - May I present the Trenton High School Class of 1984.
